## DETAILED ACTION

### EXAMINER'S AMENDMENT ✓

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

This application is in condition for allowance except for the presence of claims 16 and 17 directed to a switching module with data decoder non-elected without traverse. Accordingly, **claims 16 and 17 have been cancelled.**

### *Response to Arguments*

Applicant's arguments, filed 09/18/2007, have been fully considered and are persuasive. The previous rejections have been withdrawn.

### *Allowable Subject Matter*

Claims 1, 5-15 and 18-21 are allowed. The following is an examiner's statement of reasons for allowance: ✓

With respect to claims 1 and 18-21 Bialo teaches the switching circuit of claim 1 however does not teach the control bias supply circuit comprises a diode having an anode to which the voltage signal is applied and a cathode via which the control bias is output to the connection node. At least this further limitation to claim 1 is not taught or rendered obvious by the prior art of record.

With respect to claims 5-15 Bialo teaches the switching circuit of claim 1 however does not teach control bias supply circuit comprises a bias transistor including a structure of a MESFET; and the MESFET having a gate receiving a voltage signal, a first terminal connected to a given potential via a capacitive element, and a second terminal connected to the connection node, the control bias being supplied to the connection node from the second terminal. At least this further limitation to claim 1 is not taught or rendered obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
